

Sundram International Limited

ANNUAL REPORT

**for the year ended
March 31, 2024**

Sundram International Limited, United Kingdom

TRANSLATED FINANCIAL STATEMENTS

Independent Practitioners' Report

To the Board of Directors of Sundram International Limited, United Kingdom

Report on the Special Purpose Fit-For-Consolidation Financial Statements Opinion

We have examined the accompanying special purpose fit-for-consolidation financial statements of **Sundram International Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the special purpose fit-for-consolidation financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and read together with the Practitioner's Responsibilities for the Examination of the Special Purpose Fit-For-Consolidation Financial Statements, given in this report, the aforesaid special purpose fit-for-consolidation financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our procedures in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. Our responsibilities are further described in the 'Practitioner's Responsibilities for the Examination of the Special Purpose Fit-For-Consolidation Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our examination of the special purpose fit-for-consolidation financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the special purpose fit-for-consolidation financial statements.

Management's Responsibility for the Special Purpose Fit-For-Consolidation Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these special purpose fit-for-consolidation financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows

and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the special purpose fit-for-consolidation financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the special purpose fit-for-consolidation financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Practitioner's Responsibilities for the Examination of the Special Purpose Fit-For-Consolidation Financial Statements

Our responsibility is to express an opinion on the accompanying special purpose fit-for-consolidation financial statements of the Company based on our procedures as mentioned below.

The financial statements of the Company for the year ended March 31, 2024, has been prepared under UK GAAP and in compliance with the Group accounting policies. As explained by the management, the financial statements provided to us for examining the Special Purpose Fit For Consolidation Financial Statements has been audited by the auditors of the Company KNAV Chartered Accountants, however, the auditors are yet to issue the signed financial statements and auditors report. Hence, we have relied on the financial statements provided by the management for the purpose of examining the Special Purpose Fit For Consolidation Financial Statements. We have not conducted any audit and have performed the following procedures:

- i) Obtained and read the financial statements of the Company prepared under UK GAAP and Group accounting policies and provided by the Company's management;
- ii) Examined the translated financial statements prepared under British pound sterling (GBP), the functional currency of the Company to Indian National Rupee (INR) as per procedures stipulated by the group accounting policy of Sundram Fasteners Limited;

**Sundram International Limited,
United Kingdom**
TRANSLATED FINANCIAL STATEMENTS

- iii) Examined the compliance of the special purpose fit-for-consolidation financial statements with the group accounting policies of Sundram Fasteners Limited.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Other Matter

The accompanying special purpose fit-for-consolidation financial statements of the Company has been prepared for purposes of providing information to Sundram Fasteners Limited to enable it to prepare its consolidated financial statements. As a result, the special purpose fit-for-consolidation financial statements of the Company may not be suitable for another purpose.

TRANSLATED FINANCIAL STATEMENTS

Notes to Financial Statements for year ended March 31, 2024

1 Corporate Information

Sundram International Limited ("SIL" or "the Company") is incorporated in UK and is a subsidiary of Sundram Fasteners Limited (SFL), Chennai.

The registered office of the Company is situated at Eversheds Central Square South, Orchard Street, Newcastle upon Tyne, NE1 3XX, United Kingdom.

SIL was set up on 26 January 2016 in order to hold investments in Cramlington Precision Forge Limited and Sundram Fasteners (Zhejiang) Limited.

2 Basis of Preparation

The financial statements of the Company have been prepared in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and translated into Indian rupees according to the Indian Accounting Standard (Ind AS) 21 in compliance of all Indian Accounting Standards as prescribed by Ministry of Corporate Affairs under Companies (Indian Accounting Standards) Rules, 2015, provisions of the Companies Act 2013, to the extent notified, and pronouncements of the Institute of Chartered Accountants of India, as well as giving effect to change in foreign exchange rate.

3 Summary of accounting policies

Overall considerations

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

3.1 Financial instruments

Recognition, initial measurement and derecognition

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value.

Classification and subsequent measurement of financial assets:

For the purpose of subsequent measurement financial assets are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset at:

- Amortised cost
- Fair Value Through Other Comprehensive Income (FVOCI) or
- Fair Value Through Profit or Loss (FVTPL)

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a Company of financial assets is impaired.

Classification, subsequent measurement and derecognition of financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or at amortised cost. The Company's financial liabilities include borrowings.

Subsequent measurement

Financial liabilities are measured subsequently at amortized cost using the effective interest method except for derivatives and financial

Notes to Financial Statements (Contd.)

liabilities designated at FVTPL, which are carried subsequently at fair value with gains or losses recognized in profit or loss (other than derivative financial instruments that are designated and effective as hedging instruments).

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or has expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

3.2 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within 3 months from the date of acquisition and that are readily convertible into known amounts of cash and which are subject to only an insignificant risk of changes in value.

3.3 Equity, reserves and dividend payments

Share capital represents the nominal (par) value of shares that have been issued and fully paid up.

Retained earnings includes all current and previous period retained profits.

All transactions with owners are recorded separately within equity.

3.4 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares). For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

3.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents includes cash in hand, cheques on hand, balances with banks in current accounts and other short-term highly liquid investments with maturities of 3 months or less, as applicable. Bank Overdraft is also Considered as Cash and Cash Equivalent.

3.6 Borrowing costs

Borrowing cost is not applicable since there are no qualifying assets.

3.7 Accounting for effect of change in foreign exchange rates

The Assets and Liabilities as at 31st March 2024 has been translated from GBP to Indian Rupees by applying the year end interbank exchange rate of GBP 1 = Rs. 105.03 (2023: GBP 1 = 101.65). The incomes and expenses for 12 months ended 31st March 2024 has

**Sundram International Limited,
United Kingdom**
TRANSLATED FINANCIAL STATEMENTS

Notes to Financial Statements (Contd.)

been translated from GBP to Indian Rupees by applying Average interbank exchange rate GBP 1 = Rs. 104.09 (2023: GBP 1 = 97.00). Exchange differences arising out of the translation have been dealt with in accordance with Ind AS 21.

SIL's Functional Currency is UK Pound sterling. But these financial statements are presented in Indian Rupees in order to facilitate the preparation of consolidated financial statements by Sundram Fasteners Limited, which is the holding company of SIL.

4. Significant management judgment in applying accounting policies and estimation of uncertainty

While preparing the financial statements, management has made a number of judgments, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Notes to Financial Statements (Contd.)

Significant management judgment

The following are significant management judgments in applying the accounting policies of the Company that have the most significant effect on the financial statements.

(i) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of business and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

5 NON-CURRENT INVESTMENTS

a) Investment in Subsidiaries

Unquoted

a) Investment in Cramlington Precision Forge Limited, UK

Less: Provision for diminution in value of investments

Add: Reversal of diminution in value of investments

b) Investment in Sundram Fasteners (Zhejiang) Limited, China

Less: Provision for diminution in value of investments

Equity shares

The Company has only one class of equity shares having a par value of GBP 1 per share. Each holder of equity share is entitled to one vote per share. The Company declares and pays dividends in GBP.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

f) Bonus Shares/ Buy Back/ Shares for consideration other than cash issued during the period of five years immediately preceding the financial year ended March 31, 2024:

- Aggregate number of equity shares allotted as fully paid up pursuant to contracts without payment being received in cash : Nil
- Aggregate number of equity shares allotted as fully paid up by way of Bonus Shares : Nil
- Aggregate number of equity shares bought back : Nil

g) Capital Management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern

- to provide an adequate return to shareholders by pricing products and services commensurate with the level of risk

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Group's capital management is to maximise the shareholder value.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt. The amounts managed as capital by the Company for the reporting periods under review are summarised as follows:

**Sundram International Limited,
United Kingdom**

Fair value measurement hierarchy

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

**Sundram International Limited,
United Kingdom**
